

LETTERS from SANTA

I am pleased to announce that I will be working with the Eden Prairie Women of Today again this holiday season to send “personalized letters” to your child. Imagine your child’s joy and amazement when they not only receive a letter from me – but one that mentions a great job they have been doing, a special gift they might want, AND a special holiday-related picture they can color – and, if they wish, leave for me when I visit them on December 25th. Please fill out the information below and submit, along with **\$5.00 for each letter by December 5th**. The Eden Prairie Women of Today will make sure the information gets to me so I can send a letter to your child the week before Christmas.

NOTE: The Eden Prairie Women of Today have graciously offered to donate all proceeds to the Autism Society of Minnesota (www.ausm.org).
